REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 1 and 13 are allowable for the reasons set forth in the amendment filed August 11, 2006. Of particular significance are the limitations of controlling the electrical signal so that a frictional force generated between the first member and the second member continuously changes by the levitation force. As amended, the resulting combinations are not shown or taught by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Saúl J. Rodríguez whose telephone number is (571) 272-7097. The examiner can normally be reached on M-F 9:30-6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Charles A. Marmor can be reached on (571) 272-7095. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
